# Christmas in Medina!

## It's what we do!

For generations, the spectacular Christmas decorations in Village of Medina have been the envy of other communities!

Across Historic Downtown to State Street Park and throughout the village, our holiday trimmings are second to none, beckoning expats and visitors alike to annually experience a real hometown Christmas!

### It's what we do!

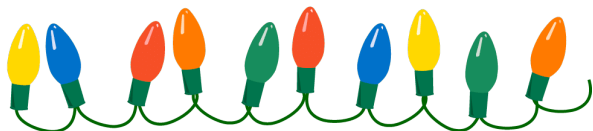

One of the most magnificent focal points of our holiday display are the two "Village Christmas Trees" in State Street Park. They're breathtaking! Christmas wouldn't be Christmas without them!

### That's why we're reaching out now...

These trees are 60'+ tall, aging and while they're in no immediate danger, sodden soil and a strong wind could bring them down. The time to replace them *is now*– not when they're laying on the ground!

Of course, we're hoping these two magnificent trees will be around many more years, but to insure we'll always have two "Village Christmas Trees", we're looking to *plant two new trees in the Fall of 2022.*

We'll be able to enjoy our current trees and watch our new "Village Christmas Trees" grow for the future!

## CHRISTMAS IN MEDINA NEEDS YOUR HELP!...

We have engaged Draves Tree Service of Darien Center as a consultant and contractor. Mr. Tom Draves is one of the most respected and experienced arborists in WNY. With his help, we have decided on two 12' Black Hills Spruce.

The Black Hills Spruce is a dense evergreen tree with a strong central leader. It has a distinctive and refined pyramidal form and is highly tolerant of urban pollution. It is drought tolerant and can live for nearly one hundred years! A perfect Christmas tree!

The trees will have to be dug and installed after August. The cost to dig, ship, plant and stake two trees with a one year guarantee is **\$3800**. As soon as we've raised the funds, the Tree Board will finalize the purchase and plans for a late summer/fall installation.

Black Hills Spruce

## YOUR TAX DEDUCTIBLE DONATION...

Every donation helps! All donors will be listed on a Donors Plaque that will be on display in Medina's Christmas HQ– the Santa House in Rotary Park! **Here's how you can donate...**

**Make a General Donation, in Memory of someone, or an Anonymous donation- however you wish! Your donation is tax-deductible!**

- Santa's Helper - - - - - \$25-\$199
