## **Village Board Meeting**

### **DPW Report**

Plowed and salted a couple times.

Fixed leaking water service on South Ave and found a leak on the main. Both were fixed that day

Had the guys do some cleaning on the third floor, moved some files around for easier future storage

Started cleaning some of the records out of the old DPW office on the third floor

Did some cold patching.

Crew worked hard on a very big tree on Eagle that has been on the list for years, they are really putting a lot of effort into getting the tree list dwindled down

Met with Keeler Construction on getting a price on paving Main st.
