

Citizen financial support of tree planting been a big part of Medina's Forestry Program for over twenty years...

• There are 3 ways to make donations to support tree community planting - **select your option below by marking a \checkmark in a box:**

- GENERAL DONATION -

These donations help replace street trees in neighborhoods. Donors are recognized on a tree foundation sign at City Hall.

Suggested amounts:

\$25 - \$199 - Good Citizen
\$200 - \$299 - Silver • \$300 - \$499 - Gold
\$500 and up - Platinum

- ON YOUR STREET -

If the Village determines that a tree(s) is/are needed on your street, you may request a specific location. Donors are recognized on a tree foundation sign at City Hall.

Cost is \$275

- IN MEMORY/HONOR OF -

These trees will be placed in one of our parks and will be identified with a granite marker honoring your loved one or recognizing your organization.

Cost is \$300

Memorial Trees may be located on a street without a granite marker. **The cost is \$275**

- Memorial Trees are placed in one of our village parks– State Street Park, John E. Butts Memorial Park, Gwinn Street Park, Pine Street Park, Gulf Street Park, or Boxwood Cemetery, based on availability of a suitable planting site. The type of tree is selected by the Municipal Forestry Coordinator to ensure the right tree is planted for the site existing conditions. All trees are planted in the spring without exception.
- Checks should be made out to: **The Orleans Renaissance Group, Inc.** – Notation: 'ReLeaf Medina' Return this form/page with your check with the information filled out below. (Please print plainly)

The Orleans Renaissance Group, Inc.
PO Box 543
Medina, NY 14103
